
CULTURAL ADVENTURES: EXPLORING CONNECTIONS, TRANSACTIONS & INTERACTIONS BETWEEN SOUTH WEST EUROPE AND SOUTH EAST ASIA.

CHOICES: A WORKSHOP WITH HANSPETER AMMANN

In this short workshop we will explore the kinds of choices that we make when we develop creative projects. How do we choose what to do and why? In which ways do our backgrounds, histories and cultures frame our creative choices? How aware are we of the factors that affect the choices that we make?

The workshop will be led by Hanspeter Ammann. Hanspeter is an internationally renowned Swiss artist, film maker and curator. He is currently working on film and book projects in Portugal, Isaan and Malaysia. For many years Hanspeter has acted as an advisor for SOA+D's MfA Visual Communication.
